

STRONGER COMMUNITIES. STRONGER TOGETHER.

Helping you make the right choice for you and your family when it comes to the COVID-19 vaccine

Choosing whether or not to get vaccinated is a personal choice, but it should be a well-informed one. Dr. Kanika Turner is an Associate Medical Director at Family Care Health Center and a family medicine physician. Her advice is to do your homework by seeking out qualified, trusted sources – like your family doctor, or other medical professionals – talk through your concerns with them and ask them any questions you have about the vaccine.

Want answers now? You can learn more about all the COVID-19 vaccines from Dr. Turner and other Missouri physicians at [MOSTopsCovid.com](https://www.mostopsCovid.com).
